

BULLFROG OFFSHORE RANGER 22'

No inflating, no deflating, no worries.

Dive and Rescue!

The Offshore Ranger 22' has a 8' 6" beam and maximum 250 hp. It has 70 Gal. fuel capacity.

The Offshore Ranger is the best rough water boat for its size! Whether you are a fisherman, diver, or just like to explore the coastline, you can experience a worry-free day on the water in the safe reliability of this Bullfrog.

CUSTOMIZABLE. Professional Series Bullfrogs have a flat floor open design that allows for easy customization. We can install consoles and seats or design a boat that fits your needs.

HEAVY DUTY. The slanted hull design provides great stability and a soft, dry ride. The reinforced marine grade aluminum hull is built to industry leading ABYC standards. This boat is the obvious choice for the serious or professional boater.
