

BULLFROG UTILITY TENDER 10'
No inflating, no deflating, no worries.

BULLFROG UTILITY TENDER 10'

Built to be Beached!

SPECIFICATIONS

The UTILITY TENDER 10' has a 5' 6" beam and weights 220 lbs. Capacity of 3 people. Maximum hp 15.

Our most affordable yacht tender, the virtually unsinkable utility boat is easy to maneuver at only 220 lbs. made with 20" transom for increased safety on the water. Oarlock inserts are standard.

Bullfrog's polymer flotation collar has five times the impact resistance of fiberglass. Constructed with non-abrasive materials, they will not damage your yacht's finish. Through-hull colors are UV protected, they resist fading and scratches.

The hull, transom and lifting eyes are welded marine grade aluminum making this an extremely durable and tough utility boat.

Factory installed Davit Systems available too!
