

BULLFROG YACHT TENDER 10'
No inflating, no deflating, no worries.

BULLFROG YACHT TENDER 10'

Built to be Beached!

SPECIFICATIONS

The YACHT TENDER 10' has a 5' 6" beam. With 20 hp Honda outboard mounted, it's 11' 8" (with motor) long and weighs 490 lbs. with 3 Gal. fuel tank.

THE INNOVATIVE DESIGN of Bullfrog Boats combines the unsinkability of foam-filled construction, the stability of a wide-stance platform, and the durability of a polymer flotation collar with an aluminum hull. The result is a unique, lightweight yet rugged, dependable yacht tender, which provides plenty of space for fishing or simply having fun on the water!

Virtually unsinkable and constructed with non-abrasive materials that **won't damage your yacht's finish**, this tender is the perfect choice stability, unsinkability and durability.

Factory installed Davit Systems available too!
